

CREDIT PROGRAMS

GREEN BUILDING MAINTENANCE & MANAGEMENT A.A.S.

61-63 credits

Gain the skills and knowledge needed to maintain and manage high-performance commercial buildings. Learn current theories and get hands-on training to work with evolving technologies like photovoltaic cells, wind generators, geothermal heating, and HVAC systems.

INDUSTRIAL TECHNOLOGY: MANUFACTURING TECHNOLOGY CERTIFICATE

36 credits

This certificate program prepares individuals to enter the manufacturing workforce by teaching basic skills needed in the use of lathes and milling machines, while also providing the educational background for those students who want to continue into a second year of study in Industrial Technology: Manufacturing or Industrial Design.

MOBILE APPLICATION DEVELOPER CREDENTIAL

16 credits

Gain the skills to become a mobile application developer for tablets and smartphones using both the Android and Apple IOS Operating Systems.

NETWORK ADMINISTRATOR CERTIFICATE

18 credits

This program answers a need in the local region from educational and financial institutions as well as small business for people with the basic skills to effectively manage microcomputer networks. SUNY Ulster is designated as a Regional Academy for Cisco Systems training and a member of the Microsoft IT Academy program, and students have a choice in which training they wish to pursue.

POLICE BASIC TRAINING CERTIFICATE

30 credits

This certificate program is organized to include the learning objectives mandated by the New York State Division of Criminal Justice Services (DCJS) state-approved police academy curriculum. The courses must be completed by full-time study. Classes may be given during the days, evenings, or weekends.

WEB APPLICATION DEVELOPER CREDENTIAL

16 credits

Designed to prepare students for a career in web application development, according to the expressed needs of local educational and financial institutions and small businesses of all types.
