CAREER SERVICES AT SUNY ULSTER

SUNY Ulster's Career Services looks to support career exploration and preparation for all SUNY Ulster students, alumni and community residents.

Believing career decisions are a reflection of one's interests, values and skills, Career Services supports personal exploration and how insight into one's unique qualities helps to define career paths. Through individual career counseling, interactive programming, special events and access to employers, Career Services supports the efforts of those exploring their interests and defining their career goals.

PUT YOUR CREATIVE PASSIONS TO USE!

SUNY Ulster is hosting a Career Fair featuring local employers hiring for all levels of web and software development. This is a great opportunity for companies hiring web developers and job seekers looking for opportunities in the field to meet.

Pop-Up Career Booth

Career Services are popping up in the Senate Dining Hall
Career Services advisors will be available to meet with students on the second Monday of the month.

Pop by the **Senate Dining Hall** for a brief advising session from 11am-12:30pm. Have a quick question about your resume, job search, or upcoming interview? We're happy to consult briefly about any career topic. Need more than 5 or 10 minutes?

Call 845-687-5091 to schedule an appointment.
Look for us in the Senate Dining Hall on 2/12, 3/5 & 4/9.

WORKER READINESS CREDENTIAL

Employers from all sectors report that new hires need support on entry level skills and concepts that allow them to be successful in the workplace. The Work Readiness Credential gives the opportunity for jobseekers to gain evidence they have the foundational knowledge and skills to allow them to be successful in the workplace.

Specific skills covered in this course include:

Effective communication skills • Interpersonal skills • Decision-making skills, including situational judgement & problem solving
Basic math skills • Using information and communication technology

At the completion of the 12 hour course, students are tested via the Work Readiness Credential Assessment, passage of which allows for verification of skills learned. Call Ulster BOCES at 845-331-5050 for more information or to schedule on-the-site training for your employees.
