(See Appendix #2)
WHEREAS, the College Administration has made a close study of the specific course offerings needed during the Fall 1963 academic semester to provide adequate support for the approved curricula of the College, and

WHEREAS, the Curriculum Committee of the Board of Trustees has reviewed a proposed list of course offerings and recommends its approval, now therefore, be it

RESOLVED, that the College reserves the right to cancel any course listed if the enrollment is too small to warrant offering it, and

BE IT FURTHER RESOLVED, that the College will offer such additional courses as seem warranted after further study and analysis of community interests and needs.

Adopted February 5, 1963
WHEREAS the Chancellor of the State University of New York has declared that all State University of New York units will open their libraries for direct circulation privileges to students enrolled in other State University institutions in a concept called Open Access, and

WHEREAS the option of declaring a community college library Open Access lies within the power of the Board of Trustees of Ulster County Community College and

WHEREAS the State Legislature passed, and the Governor signed Assembly Bill 11663-A, which states in part the promulgation of regulations concerning Public Access and use to State University libraries by the residents of the State of New York, now, therefore, be it

RESOLVED that the Board of Trustees of Ulster County Community College does hereby declare the facilities and services of the Macdonald DeWitt Library to be Open Access to any student, faculty or staff member from any other State University unit including community colleges, and be it further

RESOLVED that the Board of Trustees authorize the President to develop and promulgate the necessary and appropriate resolutions to open up use of the Macdonald DeWitt Library to the people of Ulster County.

<th>REVISED PROCEDURE FOR ADDING AND DELETING NAMES TO THE ADVISORY COUNCILS</th>
</tr>
</thead>
</table>

Approval Date: February 17, 1987

WHEREAS the procedure for processing names of members to be deleted from or added to community advisory councils is cumbersome albeit necessary, and

WHEREAS some effort should be made to simplify the system to provide for review without duplication, and

WHEREAS the President recommends that the procedure be revised and simplified, now, therefore, be it

RESOLVED that the following amendments to the procedure be instituted:

-- Since many members of community advisory councils serve by virtue of their positions, a master list of all such appointments by position be determined and approved by the Board of Trustees. Henceforth, replacements filling the same positions will be appointed automatically, with the Board noting rather than approving the individual serving in that capacity.

-- In cases where persons serve on councils as private individuals, names will be brought to the Board of Trustees in advance of their appointment, as in the past.

and, be it further

RESOLVED that to facilitate the process, additions and deletions to advisory councils be proposed only two times per year, once in the spring and once in the fall.

Adopted February 17, 1987 (87-2-17)
WHEREAS the Board of Trustees approved Resolution 87-2-17 revising the procedure for adding and deleting names to the Advisory Councils, and

WHEREAS many members of the community advisory councils serve by virtue of their position, it is requested that the Board of Trustees approve the attached master list of positions so that replacements filling the same position will be appointed automatically with the Board of Trustees noting rather than approving the individual serving in that capacity, and

WHEREAS the President is now recommending this list be approved, and

WHEREAS the Personnel/Curriculum and Finance/Facility Committees have reviewed this list, now, therefore, be it

RESOLVED that the Board of Trustees hereby approves the adoption of the attached master list of appointments by position to the Advisory Councils.

POSITIONS TO BE REPRESENTED ON ADVISORY COUNCILS

ALLIED HEALTH ADVISORY COUNCIL

Administrator, Benedictine Hospital
Administrator, Ellenville Hospital
Administrator, Ulster County Infirmary
Commissioner of Health of Ulster County
Exec. Director, TB & RD Catskill Regional Association
Representative, Kingston Hospital
Representative, No. Dutchess Hospital

VOCATIONAL EDUCATION ADVISORY COUNCIL

*Director, Children's Rehabilitation Center
President, Int. Brotherhood Elec. Workers

*Indicates person holding this position is not already on the council.

Adopted March 17, 1987 (87-3-30)
WHEREAS, the Board of Trustees approved Resolution #02-8-211 in August 2002 adopting SUNY’s policy for General Education requirements for both the A.A. and A.S. transfer degrees, and

WHEREAS, students were required to complete 30 credit hours of General Education Requirements in 10 different categories, and

WHEREAS, the State University of New York is changing its General Education requirements for students to complete 30 credit hours in 7 of the 10 different categories, including the required categories of Communication and Mathematics, and

WHEREAS at the March 30 meeting of the Academic Senate the proposal was overwhelmingly accepted by the College’s Faculty at large, and

WHEREAS, the Dean of Academic Affairs recommends, and the President concurs, and

WHEREAS, the Personnel, and Educational Programs and Services Committees have met and concur, now, therefore, be it

RESOLVED, that the Board of Trustees hereby adopt SUNY’s updated General Education requirements as follows:

SUNY Ulster General Education Graduation Requirements for Transfer Programs

The State University of New York requires students at institutions offering the baccalaureate degree, as a condition of graduation, to complete 30 credit hours of General Education courses selected from 10 categories. Included are required categories Mathematics and Basic Communication, and at least three credits in at minimum of five of eight academic areas - Natural Science, Social Science, American History, Western Civilization, Other World Civilizations, Humanities, the Arts and Foreign Languages. Students must also demonstrate competency in the areas of critical thinking and information management.

AT SUNY Ulster, students in the Associate of Arts and Associate of Science degree programs
must complete 21 of the required 30 credits as a condition of graduation. Students must complete a minimum of five categories, including the required mathematics and basic communications categories, and can select a maximum of two courses from any category.

Adopted August 2002 (02-8-211)
Amended April 12, 2011 (11-4-59)
