

Senators Baseball Camp Ages 7-12

This camp is designed for the serious player as well as the beginner. Instruction concentrates on the basic fundamentals of baseball, including hitting, fielding, pitching, throwing, and base running. In addition, the camp includes intense work on learning and improving skills, effective drills, and developing proper work habits. Campers are placed into an appropriate group based on age and ability. Campers have the opportunity to learn about more than one position during the specialty groups. The goal is to make sure campers leave with a greater knowledge of baseball and love of the game. The camper-to-coach ratio is 12:1.

Dress and Gear: Please bring glove, bat, baseball hat, long athletic pants, athletic footwear (rubber spikes/sneakers), and a reusable/refillable water bottle as well as topical insect repellent and topical sun block (spray form not permitted). Catchers should bring a chest protector, helmet, shin guards, and facemask, if they have them. Note: Every camper who registers by July 11 receives a camp T-shirt.

Lunch: Please bring a lunch that requires no refrigeration.
