ABOUT ULSTER COUNTY COMMUNITY COLLEGE

The College was founded by public referendum in 1961, held its first classes at its Kingston temporary campus in 1963, and broke ground at its Stone Ridge campus in 1965. Today, SUNY Ulster is a vital member of the State University of New York (SUNY), the largest public university system in the world.

Through our credit and continuing education classes, we offer a full array of degree, diploma, and certificate programs to help residents upgrade skills, begin rewarding careers, or transfer to four-year colleges. More than 60 percent of SUNY Ulster graduates continue their studies at four-year public and private institutions throughout the state and nation.

The College continues to adapt in an effort to serve county residents. Beginning in 1995, we opened the Business Resource Center (BRC), providing a one-stop shop for economic development, training, and education. The BRC also serves as SUNY Ulster's main off-campus site for credit and continuing education classes. The College also offers classes online.

Through the auspices of the Ulster Community College Foundation, Inc., the opportunity to attain a higher education is made possible to many members of the community who may not otherwise be able to fully cover the costs of attending college. The Foundation provides more than \$180,000 in scholarships annually that include a broad spectrum of academic criteria. The Foundation also sponsors cultural events, funding for technology, and support for academic program enhancements. It is a resource for student emergency grants and loans. Contributors to the Foundation include individuals, faculty and staff, alumni, businesses, and organizations throughout the community.

### THE COLLEGE SEAL

The College seal symbolically represents the historic area in which Ulster County Community College is located and the academic aspirations of the College.

The date 1961 indicates the year in which the College came into being as a legal entity by virtue of a public referendum of the citizens of Ulster County.

The open book is symbolic of the importance the College places on education.

The ship represents Henry Hudson's voyage on the Half Moon, which began the era of European settlement.

The sheaf of wheat emphasizes the importance of agriculture in Ulster County.

The Huguenot Cross recognizes the background of the early French settlers in Ulster County.

The eleven stars represent the first eleven states of the Union with the large star representing New York State, the eleventh state of the Union.

Truth from learning - Wisdom from truth  
is the College's motto.

Celebrating the Past.  
Shaping the Future.

The 2013-2014 academic year marks SUNY Ulster's 50th Anniversary and commencement. Over the years, the College has grown from its first class of 48 to awarding more than 20,000 associate's degrees and diplomas.

SUNY Ulster has grown to become a vital community resource providing affordable high-quality education, as well as continuing and professional education, business counseling and job training for the regional workforce. SUNY Ulster is also a powerful contributor to the county's economic development, arts and culture, and quality of life.

Adopting the theme of CELEBRATING THE PAST - SHAPING THE FUTURE, SUNY Ulster will continue to be at the forefront of providing opportunities to our residents by creating new programs that meet existing and new employers' requirements; leverage collaborative partnerships that maximize precious resources and have a major, positive economic impact on our region; and prepare students to live and work in a global economy.

# ALMA MATER

BY JOHN F. PARK

From Catskill's lofty peaks and vales, from Hudson's noble shores,  
In search of wisdom's truth we come to her e'er open doors.  
For each to be all that he can, a chance she will provide;  
For all her teachings shall become a strong and steadfast guide.

For truth from learning we shall seek, and wisdom from the truth.  
To this, her motto, now we pledge the vigor of our youth.  
Her colors, blue and white, we raise and hold her banner high.  
Her motto for our future years a meaning shall supply.

For knowledge and for loyalty the sapphire blue shall stand,  
The white for purity of truth which wisdom must demand.  
To alma mater, U tri C, our voices now we raise;  
In loyalty and love for truth we ever sing her praise!

## ACADEMIC REGALIA

The caps and gowns, which add color and dignity to the academic procession, originated in the Middle Ages. An intercollegiate code, which was established in the United States in 1895, is the basis for present academic dress.

## HOODS

The hoods are lined with the official colors of the college or university conferring the degree. For example: Columbia, light blue and white; Harvard, crimson; New York University, violet; Princeton, orange and black; Rutgers, scarlet; University of Pennsylvania, red and blue; Yale, blue. The color of the edging of the hood is distinctive of the subject to which the degree pertains. For all academic purposes, the colors associated with the different subjects are as follows:

Maize – Agriculture	Russet – Forestry	Apricot – Nursing
White – Arts, Letters, Humanities	Crimson – Journalism	Silver Grey – Oratory (Speech)
Drab – Commerce, Accountancy, Business	Purple – Law	Salmon Pink – Public Health
Lilac – Dentistry	Lemon – Library Science	Golden Yellow – Science
Copper – Economics	Green – Medicine	Citron – Social Work
Light Blue – Education	Olive Green – Pharmacy	Scarlet – Theology
Orange – Engineering	Dark Blue – Philosophy	Grey – Veterinary Science
Brown – Fine Arts, Architecture	Sage Green – Physical Education	Peacock Blue – Public Administration (including Foreign Service)
	Pink – Music	

## CAPS

The tassel is black or the color appropriate to the subject, except that the doctor's cap may have its tassel of gold thread.

## ASSOCIATE DEGREE AND DIPLOMA REGALIA

Graduates of two-year degree and one-year diploma programs at Ulster County Community College are robed in a grey gown and mortarboard cap with a tassel. The gold honors stole signifies membership in the PHI THETA KAPPA International Honor Society. Students who qualify for High Honors (those with a cumulative GPA of 3.75 and higher) is signified by the Gold and Blue honor cords with a matching tassel. Students who qualify for Honors (those with a cumulative GPA between 3.3 and 3.74) is signified by the Blue and White honor cords along with a matching tassel.
