EDUCATIONAL LEADERS

KRISTIN FLYNN, Program Coordinator and Assistant Professor of Fashion Design, will be guiding you through introductory fashion projects with the assistance of SUNY Ulster Fashion Design Program graduates. Since graduating from Parson School of Design with a BFA in fashion design Kristin has had a highly successful career in the fashion industry. She has had years of hands-on experience at the international global level, from high-end design studios to the factory floor. She has worked with top companies including Nike, Ellen Tracy, and Liz Claiborne. As a senior designer and manager she traveled the world and designed for the USA Olympic Barcelona teams as well as individual celebrities including Madonna.

DR. CYNTHIA V. MARCELLO is a professor of Computer Science. She teaches numerous programming courses and also simulation and game development. She owned a computer consulting business for twenty years and currently is the owner of Ideation Studios, LLC, an independent game design and development company. Throughout the academic year, she runs numerous game jam and hackathon events, interactive fiction competitions, computer science and robotics camps, 4H STEM workshops, and is also an event partner for VEX robotics competitions and tournaments. Lastly, she is the President of the NY Hudson Valley Computer Science Teachers Association (CSTA) and thoroughly enjoys working with students and teachers in the area of computer science and all things technology!

JESSICA POSER is an artist and an educator living and working in the Hudson Valley. She has a doctorate in education from Harvard Graduate School of Education and an MFA from the University of Illinois at Chicago. She has been developing and teaching art programs for youth for over 20 years.

FIVE EASY WAYS TO REGISTER

ONLINE - www.sunyulster.edu/campulster

BY PHONE - Call 845-339-2025 and use your Visa or MasterCard or Discover. Monday - Friday, 8:30 am–4:30 pm

BY FAX - Complete the **Noncredit Registration Form**. Fax the completed form to 845-339-0780, 24 hours, seven days a week. Use a separate form for each camper registering.

BY MAIL - Complete the **Noncredit Registration Form**. (*Note:* When filling out the course code on this form use the letters & numbers listed starting with CFK.) Indicate your choice of Visa, MasterCard or Discover, or send a check or money order payable to UCCC. (Only pay the Registration fee. Do not include materials fees.) Use a separate form for each camper registering, and mail the completed form to:
Camp Ulster, Kingston Center of SUNY Ulster
94 Mary's Avenue, Kingston, N.Y. 12401

IN PERSON - Bring the completed **Noncredit Registration Form** and fee to the Continuing Education Office at the Kingston Center of SUNY Ulster, room 206 or the Stone Ridge campus, Vanderlyn 206.

OTHER FORMS NEEDED - Upon receipt of your application, a confirmation letter will be emailed out to you containing links to the required **Health Form** and **Information/Permission Form**. And if needed, the **Immunization Exemption Form** and the **Medication Administration Form** if medication needs to be administered by the College's Health Services Staff. All information will be kept confidential.

IMPORTANT - Your child will **NOT** be allowed to attend camp until these forms are completed, signed, and returned to the Kingston Center of SUNY Ulster at least 7 days PRIOR to the first day of camp. This includes those attending a Mad Science or Snapology Camp.

MAD SCIENCE & SNAPOLOGY: Registration is taken at their website.

ENRICHMENT CAMPS

NEW! FASHION DESIGN CAMP
AGES 8-11 & AGES 12-15

If you are interested in fashion or plan to be a fashion designer then this is the camp for you! In this boot camp, you will spend half the day in the sewing lab, and the remaining half of the day in the drawing studio. In the sewing lab you will learn sewing and basic construction. The sewing lab comes complete with cutting tables, dress forms, sewing machines, sergers and industrial irons! Each camper will create an original project. In the drawing studio you will learn how to construct the fashion figure and how to draw and design skirts, blouses, dresses and pants to create a small apparel collection complete with mood board, fabrics and illustrated in color. If you know how to sew or draw, that's great! If not, we will teach you! The instructor-to-camper ratio is 1:5.

AGES 8-11

CFK 1577-01	Mon-Fri	July 10-14
9am - 4pm	Stone Ridge	$350

Materials fee: $10, payable in camp

AGES 12-15

CFK 1578-01	Mon-Fri	July 10-14
9am - 4pm	Stone Ridge	$350

Materials fee: $10, payable in camp

NEW! GAME DESIGN & CODING - AGES 10-14

This camp offers a fun and creative introduction to coding through video game design. This camp appeals to campers with an interest in technology, digital arts, video game design, and programming. Students learn how to plan the graphical user interface, gameplay, and mechanics of the game using concept art and storyboarding. Using SCRATCH, a popular program for creating interactive and animated projects, campers make their storyboards come alive as a complete working game that everyone can play! Please bring a flash drive.

CFK 1433-01	Mon-Fri (~~Tue~~)	July 3, 5, 6 & 7
9am - 4pm	Kingston	$169

NEW! ROBOTICS & PROGRAMMING CAMP
AGES 10-14

This camp offers hands on approach to learning robotics. This camp appeals to campers with an interest in robotics and programming. Using SCRATCH, a popular program for creating interactive and animated projects and CREATE Lab Visual Programmer, students use a storyboarding approach to program Finch robots to accomplish complex maneuvers! Please bring a flash drive.

CFK 1434-01	Mon-Fri	August 7-11
9am - 4pm	Kingston	$210

NEW! ART LAB - GRADES K-2

For little kids with big imaginations who love to get messy and make all kinds of art, this class is a hands-on, multi-media exploration of basic art making materials and processes such as drawing, painting, collage, printmaking, textiles, and three-dimensional sculpture. We will experiment with a variety of media to make colorful and expressive works of art. We will discover together in this energetic and play-based approach to art making. (There will be an instructor and an assistant.)

CFK 1934-01	Mon-Fri	July 17-21
9am - 4pm	Stone Ridge	$239

Materials fee: $40, payable in camp

NEW! ART LAB - GRADES 3-5

For young artists who love to draw, paint and build, this class explores different approaches, tools and materials of art making. We emphasize an exposure to a variety of media, and will guide hands-on experimentation and creative problem-solving through drawing, painting, collage and three-dimensional art-making activities. We will explore both traditional materials as well as try out new ones such as found object, recycled materials and organic materials, to make unique and expressive works of art.

CFK 1935-01	Mon-Fri	July 24-28
9am - 4pm	Stone Ridge	$199

Materials fee: $40, payable in camp

NEW! ART LAB - GRADES 6-8

For young artists who are expanding and refining their two-dimensional and three-dimensional art making skills, we will use both conventional and unconventional tools and materials to explore symbolic, representational and expressive aspects of drawing, painting, printmaking, three-dimensional and time based art making such as performance art. Concepts such as narrative, metaphor, and abstraction will be explored through explorations of color and color mixing, mark-making, observational drawing and other material investigations. Project may include comic book drawing, photo-collage, large-scale sculpture and acrylic painting.

CFK 1936-01	Mon-Fri	July 31-August 4
9am - 4pm	Stone Ridge	$199

Materials fee: $40, payable in camp

NEW! PHOTO LAB - GRADES 8-12

Everyone has a story to tell. Using a camera to discover and document your world gives light to new ways of seeing, questioning and understanding. Campers will be guided through daily assignments to see and photograph their worlds in new and interesting ways. Photography will be integrated with other expressive forms such as writing (fiction, autobiography and poetry), collage, and experimental transfer and projection techniques. Daily discussions and feedback will inspire you on your photographic journeys. Held in a MAC lab.

CFK 1937-01	Mon-Fri	August 21-25
9am - 4pm	Stone Ridge	$199

Materials fee: $40, payable in camp

CAMP PARTICULARS

LUNCH - Bring a lunch that requires no refrigeration and a reusable/refillable water bottle.

VENDING MACHINES - There are snacks and drinks available for purchase from the vending machines on campus. Please be aware that the college does not provide change or reimburse for lost money.

COLLEGE HEALTH SERVICES - College Health Services are available when camps are in session. We provide first aid treatment and medical emergency care. A nurse is on duty Monday through Friday, from 8am to 4pm.

PUBLIC SAFETY & SECURITY - At SUNY Ulster, campers and parents can feel safe and secure knowing security staff patrols the grounds to protect our campuses.
On the Stone Ridge campus we have a system of outdoor voice call-boxes, indicated by blue lights throughout campus. These voice boxes provide immediate access to Campus Public Safety and Security.

Stone Ridge = Stone Ridge Campus, 491 Cottekill Rd.
Kingston = Kingston Center of SUNY Ulster, 94 Mary's Ave.
